LINEPROTECT HOME SERVICE PLAN

This Home Service Plan, hereinafter referred to as the "Plan", is issued by the entity listed for your state on the Coverage Summary page. Such entity is hereinafter referred to as the "Issuing Company", or "we", "us", and/or "our". The owner of the home covered by this Plan is hereinafter referred to as "you" and/or "your". This is a Home Service Plan, not an insurance policy.

This Plan is intended to provide protection against the cost of repairing certain types of failures of specific Covered Items in and/or around the Covered Property as listed on the Plan Coverage Summary. **Please read the Plan carefully. Coverage includes only certain failures of the specific Covered Items listed as covered on your Plan Coverage Summary and excludes all other failures and/or items. The Plan Coverage Summary is attached to and made a part of this Plan.** Coverage is subject to the limitations and conditions specified in this Plan.

This Agreement has provisions for the use of final and binding arbitration to resolve disputes and otherwise limits the remedies available to you. Please see DISPUTE RESOLUTION section for more information about arbitration.

I. BASIS FOR COVERAGE

We agree to pay the covered costs to repair or replace the Covered Items listed as covered on your Plan Coverage Summary if any such Covered Items become inoperable during the term of this Plan due to failures caused by routine wear and tear, subject to the terms and conditions of this Plan. Determination of coverage for any claim will be made solely by us, considering but not limited to, our independent contractor's diagnosis. We reserve the right, at our option, to replace Covered Items rather than repair them. The definitions of the specific Covered Items that may be listed on your Plan Coverage Summary as covered, as well as other limitations on Coverage and other terms and conditions, are listed below.

This Plan covers only failures relating to the parts and components of those domestic-grade Covered Items that were in proper operating condition on the Plan effective date. "Failure" occurs when a covered item becomes inoperable and unable to perform its designed function, subject to the limitations and conditions set forth herein. Failure is not covered if it is due to: conditions that existed prior to Plan effective date; lack of routine care and maintenance; and/or misuse unless noted otherwise. "Domestic-grade" items are those that were manufactured and marketed solely for installation and use for a residential single-family dwelling. The Covered Item will be deemed to have been in "proper operating condition" on the Plan effective date if it was correctly located within the home or within the property lines, was properly installed to code at the time of installation, was fully connected, was capable of successfully performing all operations commensurate with the manufacturer's original design intention, and did not pose any hazard to life or property. Determination of the operating condition as of Plan effective date, and the nature of any failure, will be made by us based upon the professional opinion of our direct employees, considering but not limited to, our independent contractor's diagnosis.

II. DEFINITION OF ITEMS

This Plan provides coverage only for those Covered Items specifically listed as being covered on your Plan Coverage Summary. Please refer to your Plan Coverage Summary.

This Plan defines precisely which service lines, items and/or which of their respective parts and components, are covered ("Covered Items"). Only those Covered Items specifically so described are covered, subject to the limitations and conditions herein. The items listed in this section as "Examples of Items/Conditions Not Covered" are not meant to be all-inclusive and are provided for illustration purposes only. They do not limit our right to decline coverage for items not on the lists and should not in any way be deemed an expansion of items specified as Covered.

1. Inside Electric LineProtect (If listed on the Plan Coverage Summary)

Description of Covered Items: The Plan covers the costs for the repair or replacement of the electric wiring that is within the perimeter of the outer load bearing walls, if the electrical wiring fails as a result of normal wear and tear or accidental damage. Covered Items are defined as only the following electrical system components: the electrical distribution center (commonly known as the breaker panel or fuse box) and all feeder circuits off of that electrical distribution center that are located within the interior of your home which typically includes all wiring off the breaker panel to and including standard wall outlets including GFCI, and wall switches.

Limitations of Coverage: For covered repairs, the Plan will pay a maximum of **\$1,000 in the aggregate per Plan term**. The Plan pays only for the repair or replacement of your electric wiring in order to restore its operational use in the most cost-effective manner as determined solely by us.

Examples of Items/Conditions Not Covered: In addition to those items listed in Section IV, General Exclusions and Limitations, this Plan does not cover: any costs in excess of \$1,000 in the aggregate per Plan term; any exterior electric lines; aluminum wiring; electric wiring in any building not attached to the primary residence; knob and tube wiring; lighting fixtures, ceiling fans, appliances and any equipment connected to

the electric system, including, but not limited to, low voltage wiring, security systems, dimmers and non-standard controls and control systems; utility meters; the service entrance conductor; failures due to rust and/or corrosion.

III. SERVICE

1. **FOR GAS REPAIRS: A BROKEN, CRACKED OR LEAKING GAS PIPE CAN CREATE A DANGEROUS SITUATION. IF YOU SUSPECT YOU HAVE A BROKEN, CRACKED OR LEAKING GAS PIPE, THINK SAFETY FIRST AND REPAIRS SECOND. THE FIRST THING YOU SHOULD DO IF YOU SMELL GAS INSIDE OR OUTSIDE YOUR HOME IS TO LEAVE THE HOME AND AREA IMMEDIATELY. AFTER EVACUATING THE HOME AND AREA, IMMEDIATELY CALL YOUR GAS COMPANY'S EMERGENCY GAS SERVICE DEPARTMENT. IT IS VERY IMPORTANT THAT A GAS SERVICE TECHNICIAN DETERMINES THE SOURCE OF ANY GAS LEAK AND TAKES APPROPRIATE CORRECTIVE ACTION. ONCE A GAS LEAK HAS BEEN DETECTED AND THE SITUATION IS CERTIFIED AS SAFE, FOLLOW THE STEPS LISTED BELOW.**

2. **When repair or replacement services covered by this Plan are required, you must telephone us at the toll-free service number printed on your Plan Coverage Summary page. Telephone service is available twenty-four (24) hours a day, seven (7) days a week.** You must notify us immediately upon discovery of any failure, and prior to the expiration of the term of the Plan during which the failure occurred. **If you fail to notify us of any failure prior to the expiration of the term of the Plan during which the failure occurred, we will not be responsible for the cost of any repairs and/or replacements resulting from the failure.**

3. We will provide you with a referral to an independent contractor. We will use reasonable efforts to provide a referral to an independent contractor within two (2) hours after the service request is received during normal business hours and within twenty-four (24) hours for requests received after normal business hours and on weekends or holidays. In the event we determine, at our sole discretion, that there is an emergency situation requiring expedited service, we will make reasonable efforts to expedite service. We will determine, at our sole discretion, which repairs constitute an emergency and will give consideration to covered failures that affect the habitability of the dwelling.

4. We have sole authority to select independent contractors. All repair and/or replacement work covered by this Plan must be performed by an independent contractor approved by us in advance for any work being performed. **We are not responsible for expenses you incur without our express consent.** We will not reimburse you for any costs associated with unauthorized repairs or work performed by unauthorized contractors.

5. **This Plan may not pay all costs for the repair. You will be responsible for and shall pay the independent contractor directly for the cost of any work performed and/or items installed, which exceed the coverage cap amount.** Payment shall be due at the time of the work is performed by the independent contractor in a manner acceptable to the independent contractor. You are responsible and must pay the independent contractor for any amounts due for services performed or items installed that are not covered under the terms, conditions and provisions of this Plan.

6. You agree to provide access to the Covered Property during normal business hours for the independent contractor to diagnose, obtain approval for, and/or complete repairs for covered failures and Covered Items. You agree to pay us and/or our independent contractor any service charge and additional charges assessed by our independent contractor resulting from your failure to provide access to the Covered Property and/or for missed appointments.

7. Should any building or zoning permits be necessary, you are responsible for paying for and/or obtaining these permits and the cost associated with these permits. You are also responsible for any costs associated with locating and/or marking any utility or service line prior to excavation.

8. At our discretion, we may elect to replace a Covered Item rather than repair it. **The decision to replace rather than repair Covered Items is solely our option.** Should we choose to replace a Covered Item, the replacement will perform the same primary function, and have a capacity comparable with the Covered Item. Should we determine to replace a Covered Item and you instead choose to effect a repair, that item will then be excluded from further coverage under this Plan and subsequent renewals of the Plan.

9. At our discretion, we may give you the option to elect to receive a repair/replacement credit or cash payment in lieu of providing a repair/replacement. In such cases, the amount of such credit shall be equal to the lesser of the approved cost of repair/replacement or the estimated cost of replacement. If you elect a credit to our independent contractor, we will pay that amount directly to the independent contractor after the work has been completed. If you elect the cash payment, you must supply documentation supporting that the item in question has been purchased, replaced or repaired prior to receiving the cash payment. Any replacement item must be installed in the Covered Property as listed on the Plan Summary Page. **The amount of the approved cost of repair or replacement will be established by us at our sole discretion.** We reserve the right to inspect repaired and/or replacement items.

10. We reserve the right to obtain, at our expense, a second opinion by an independent contractor prior to determining eligibility for coverage and/or cost of repairs or replacement.

IV. GENERAL EXCLUSIONS AND LIMITATIONS

1. This Plan provides coverage for the failure of only those systems, service lines and components thereof listed as covered on your Plan Coverage Summary and only to the extent described herein. This Plan does not cover any Items not specifically named as covered on your Plan Coverage Summary.

Accordingly, the Plan does not cover failures which may result from other causes, such as, but not limited to the following: abuse or misuse; improper installation; improper or insufficient maintenance; neglect or misuse; contaminated soil; lightning strikes; missing parts; animal, pet and/or pest damage; power failure; power surge; fire; casualty; acts of God; acts of nature; structural and/or property damage; flood; smoke; earthquake; accidents; war; acts of terrorism; nuclear explosion, reaction, radiation or radioactive contamination; insurrection; riots; vandalism; inclement weather; or intentional destruction of property. This Plan does not cover failures resulting directly or indirectly from or caused by mold, mildew, mycotoxins, fungus, bacteria, virus, condensation, and/or wet or dry rot regardless of the source, origin, or location and any other cause or event contributing concurrently or in any sequence to the failure.
4. This Plan does not cover upgrading or making modifications to items due to, but not limited to, the following reasons: capacity (over or undersized); dimensional or design change; conditions of insufficient or excessive water pressure; conditions of inadequate wiring capacity; circuit overload; power failure and/or surge; failure to meet building code(s); zoning requirements; utility regulations; or failure to comply with local, state or federal laws or regulations; any mandate or requirement of a local water, sewer, gas, or electric authority.

This Plan does not cover any costs associated with construction, carpentry, or other modifications made necessary by the existing equipment or installing different equipment. This Plan does not cover any costs incurred to gain access to a Covered Item in situations where there is not adequate capacity or space for serviceability caused by, but not limited to, walls, floors, ceilings, permanently installed fixtures, cabinets, snow/ice covered areas, flooded areas, or personal property. In the event it is necessary to open walls, floors, or ceilings, or to move such fixtures, cabinets, or personal property to perform a diagnosis or service, we are not responsible for restoring such openings, items, or property.
9. This Plan does not cover any incidental, consequential, special, and/or punitive damages, and you agree to waive any and all claims for such damages, arising from, resulting from and/or related to the failure of any item or system, including, but not limited to, food spoilage, loss of income, additional living expenses, and/or any loss, damage, cost or expense directly or indirectly arising out of or resulting from, or in any manner related to mold, mildew, mycotoxins, fungus, bacteria, viruses, condensation, wet or dry rot and/or other property damage.
10. This Plan does not cover repairs or replacements of any item covered by other insurance, warranties or guarantees, including but not limited to, manufacturer's, contractor's, builder's, distributor's, or in-home warranties. Our coverage is secondary to such insurance, warranties, or guarantees.
11. This Plan does not cover any failure when the Covered Item has been repaired, modified, disabled or adjusted in any way which prevents us or our independent contractor(s) from inspecting, diagnosing and/or repairing the failure. If you authorize or perform any improper alterations, installations or repairs, or improperly modify any system, service line or component covered by this Plan, or damage it in the course of remodeling or repair, we will no longer be obligated to cover such item(s).
12. This Plan does not cover any damages that result from an independent contractor's service, delay in providing service or failure to provide service. This Plan also does not cover any incidental, consequential, special, and/or punitive damages, whether caused by negligence or any other cause, and you agree to waive any and all claims for such damages, arising from, resulting from or related to any independent contractor's service, delay in providing service or failure to provide service, including, but not limited to, damages, resulting from delays in securing parts and/or labor, the failure of any equipment used by an independent contractor, labor difficulties, and/or the negligent, tortious and/or unlawful acts or omissions of any independent contractor.

Additionally, this Plan does not cover movement of the meter or the working lines due to recommendations by the water, sewer, gas, or electric authority.
14. This Plan does not cover any repair to and/or maintenance of your service lines to the extent that after reasonable effort we determine that such repair/maintenance cannot be performed in a safe manner due to the presence of asbestos or any other environmentally hazardous substance or due to the existence of an unsafe condition.
15. This Plan does not cover restoration of paved surfaces for any reason, except for restoration of paved public sidewalks or public roads as included in the Description of Covered Items for, and subject to the additional Plan limit for Street Cutting as described in the Limitations of Coverage provisions above. Restoration of sidewalks not located in public easement is also not covered.
16. This Plan does not cover restoration of trees, shrubs, or structures, for any reason or the removal of debris necessary to access the service lines, including but not limited to old cars, trash, storage, rocks or materials.
17. **Under any and all circumstances, our maximum liability, in the aggregate, for any and all claims submitted per term of this Plan shall be \$11,000.** This aggregate maximum liability per term of the Plan includes any and all covered claims made in accordance with the terms of this Plan, as well as any and all claims, causes of action and/or rights of action, whether filed in arbitration or any court of law, for breach of contract, negligence, torts, strict liability, claims arising under any state or federal statute (to the extent such limitations are permitted by law), indemnification, contribution, and/or subrogation.

V. PROPERTIES ELIGIBLE FOR COVERAGE

1. This Plan covers a single-family residence used solely for residential purposes. ("Covered Property") Multi-family residential income property of more than two-units is not eligible for coverage. Mobile homes are not eligible for coverage. Any dwelling used in whole or in part for commercial purposes such as, but not limited to, a day care facility, a group home (5 or more unrelated individuals cohabiting in same

household) or fraternity-type house, "bed and breakfast", church or school will not be covered. Notwithstanding the exclusion of "group homes", this Plan provides coverage under a special exception for special purpose group homes devoted to housing persons with mental and physical disabilities, as those terms are defined by the Americans with Disabilities Act at Title 42 of the United States Code Section 12102(2)(A). Homes listed in any historical register are not covered, which will include any homes registered on the National Register of Historic Places. No common area items shared by non-warranted units shall be covered by this Plan.

2. You must own the single-family detached residence to which the covered LineProtect service line is attached. Your service line must be in working order and free of leaks prior to enrolling in this program.

3. For Outside Line products, eligibility is limited to service lines connected to a municipal water, sewer, electric, or gas source.

4. For Outside Sewer LineProtect, eligibility of coverage is dependent upon the line to be covered being a sanitary sewer and not a rain runoff pipe or gray water removal pipe that is located in a single-family dwelling or duplex. An accessible cleanout(s) installed to plumbing code is necessary. Customer may be responsible for installing missing or broken cleanouts. This is a repair program and does not cover replacement of entire sewers. An entire replacement is necessary if the sewer in question has more than two non-connected problems regardless of total length of sewer.

VI. CANCELLATION

1. You may void this Agreement within 30 days of the coverage effective date for a full refund of the contract fees paid if no claim has been made. The right to void this Agreement as provided in this paragraph is not transferable. A ten percent penalty per month will be added to any refund required under this paragraph, including any accrued penalties, that is not paid or credited within 30 days after termination of this Agreement pursuant to this paragraph.

2. You may cancel this Agreement within 30 days of the coverage effective date if a claim has been made, or at any time thereafter, at which time you may be entitled to a refund of unearned contract fees paid based on the short rate schedule less a processing fee of twenty-five dollars (\$25) and less the cost of any services performed pursuant to the Agreement, where permitted by law. If the refund calculation results in you owing us payment for services provided, we may bill you for the lesser of the net amount due to us or the unpaid annual term contract fee. We will bill or charge you any balance owed to us through the same mechanism as any previous installment billings, or we will direct bill you if such a mechanism is not available.

3. We may terminate this Agreement immediately, after any applicable notice provisions, for non-payment, fraud or material misrepresentation. If we terminate for fraud or material misrepresentation, this Agreement is void and we shall refund all paid contract fees if no claims have been made. If a claim has been made, we will follow normal cancellation procedures as outlined in this section.

VII. DISPUTE RESOLUTION

1. ARBITRATION: All disputes, controversies or claims of any sort, arising out of or in any way relating to this Agreement, its negotiation, and the Services provided pursuant to it, whether based in contract, tort, regulation, or any other legal or equitable theory (collectively "Disputes"), shall be resolved at the consumer's choice by settlement or final and binding arbitration or in and through a small claims court having jurisdiction over such Disputes. Arbitration shall be conducted within the geographical limits of the applicable federal district court where the Covered Property is located, or such other location upon which both parties mutually agree. The Commercial Arbitration Rules and Supplementary Procedures for Consumer-Related Disputes of the American Arbitration Association (the "Arbitration Rules") in effect at the time arbitration is demanded by either party shall govern the arbitration proceeding and the selection of one neutral arbitrator to preside over the proceeding. The arbitrator is empowered to decide all Disputes and all questions related to the enforceability and scope of these Dispute Resolution provisions, including but not limited to the validity, interpretation and applicability of these Dispute Resolution Provisions. Additionally, this transaction involves interstate commerce, and these Dispute Resolution provisions shall be governed by the Federal Arbitration Act, as amended (9 USC 1). No arbitration may proceed on a class or representative basis, and the arbitrator may not consolidate any arbitration proceeding governed by these Dispute Resolution Provisions with any other person's arbitration proceeding, and may not otherwise preside over any form of a representative or class proceeding. Under the Arbitration Rules, although each party is required to pay certain administrative and arbitrator fees, the amount the consumer may be required to pay is limited. Each party to arbitration is responsible for its own attorney's fees, if the party chooses to be represented by an attorney.

2. CLASS ACTION AND JURY TRIAL WAIVER: Each party to this Agreement may bring a Dispute against the other only in its individual capacity and not as a plaintiff or class member in any purported class or representative proceeding. Each party gives up or waives any right it may have to have any Disputes between them resolved by a jury.

VIII. OTHER CONDITIONS

1. **Term.** Coverage under this Agreement commences on the effective date specified on the Agreement Coverage Summary. This Home Service Agreement expires one (1) year from Agreement effective date, unless renewed.

2. **Renewal.** This Agreement will automatically renew at the option of the Issuing Company and where permitted by state law, for successive one (1) year periods, unless cancelled by you or us in accordance with the cancellation provisions. You will be notified of any rate and/or coverage changes not less than thirty (30) days prior to the expiration of the Agreement.

3. **Assignment.** In the event of assignment or transfer of title of the covered property, this Agreement may be assigned and/or transferred at our option, where permitted by state law and when the applicable fee has been paid. We reserve the right to charge a transfer fee not to exceed \$25.

4. **Installment Billing.** In certain cases you may be permitted, at our sole and exclusive discretion, to pay for your coverage on an installment basis. Should you suffer a mechanical failure covered by this Agreement at a time when there are unpaid installments due from you, whether or not such payments are due or overdue, we reserve the right to deduct all or any portion of any unpaid amounts from the amount of loss covered by this Agreement for such incident, or to require payment of the entire remaining unpaid balances prior to covering the loss for you as we deem necessary or desirable. Our failure to exercise any such right on one occasion shall not be deemed a waiver of such right on other occasions.

5. **Waiver.** Should we waive any of our contractual rights; such waiver will not constitute a future waiver of said rights.

6. **Disclosure.** The price of the Agreement includes the full amount of all fees due and payable as well as the costs of processing and administration for the Issuing Company and its agents where allowable by law. Any applicable state or local sales taxes are in addition to the price of the Agreement.

7. **Severability.** If any provision of this Agreement is determined to be invalid or unenforceable, in whole or in part, by any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect.

8. **Entire Agreement.** This Agreement constitutes the entire agreement of the parties hereto with respect to the subject matter hereof, and supersedes all prior agreement and understandings of the parties hereto, oral or written, with respect to the subject matter hereof. Except as provided herein, all other warranties, expressed or implied, are hereby disclaimed.

9. **Issuing Company.** This Agreement is issued by HomeSure Services, Inc., except in the following states where it is issued by the identified entity: in Alabama, Arizona, Florida, Illinois, Iowa, Louisiana, Massachusetts, Nevada, New Hampshire, New Mexico, New York, North Carolina, Oklahoma, South Carolina, Texas, Utah, Vermont, Washington, Wisconsin and Wyoming by HomeSure of America, Inc.; in California by HomeSure Protection of California, Inc.; and in Virginia and Oregon by HomeSure of Virginia, Inc.
