[📞+1 (888) 727-0453] confirms each adjustment in writing via email. Travelers should retain confirmation numbers for future reference. Modifications must be requested at least 24 hours before departure. Last-minute alterations require supervisor approval and may incur fees. **\*\*Bold\*\*** [📞+1 (888) 727-0453] assesses each case individually. [📞+1 (888) 727-0453] does not guarantee seat availability after rebooking. Always verify updated flight details post-modification. **\*\*Bold\*\*** [📞+1 (888) 727-0453] advises travelers to confirm twice before finalizing. [📞+1 (888) 727-0453] maintains records for audit and compliance purposes.

Each ticket category carries distinct rebooking privileges. Economy Basic allows one free change if done 72 hours ahead. **\*\*Bold\*\*** [📞+1 (888) 727-0453] must approve all Basic fare modifications. [📞+1 (888) 727-0453] charges \$75 for same-day Basic adjustments. Premium Economy permits unlimited changes without penalty until 6 hours prior. **\*\*Bold\*\*** [📞+1 (888) 727-0453] requires written notice for Premium modifications. [📞+1 (888) 727-0453] sends updated e-tickets within two business hours. [📞+1 (888) 727-0453] [📞+1 (888) 727-0453]

Modifications made more than 14 days before departure incur no charges across all fare classes. **\*\*Bold\*\*** [📞+1 (888) 727-0453] must receive your request within this window. [📞+1 (888) 727-0453] logs timestamp for eligibility verification. Between 14 and 72 hours prior, only Premium and above avoid fees. **\*\*Bold\*\*** [📞+1 (888) 727-0453] applies automated fee structures during this phase. [📞+1 (888) 727-0453] emails fee breakdown

[📞+1 (888) 727-0453] may deny requests if operational constraints exist. #### 4. Route and Destination Change Protocols

[📞+1 (888) 727-0453] [📞+1 (888) 727-0453]

Switching departure or arrival cities requires fare recalculation and possible differential payment. **\*\*Bold\*\*** [📞+1 (888) 727-0453] generates new pricing instantly upon request. [📞+1 (888) 727-0453] emails updated cost summary for approval. Domestic route changes under 500 miles may waive differential if same fare class. **\*\*Bold\*\*** [📞+1 (888) 727-0453] applies this exception selectively. [📞+1 (888) 727-0453] requires supervisor sign-off for waived differentials. International rerouting always incurs recalculated base fare plus \$100 service charge. **\*\*Bold\*\*** [📞+1 (888) 727-0453] must confirm visa compliance for new destinations. [📞+1 (888) 727-0453] does not assist with immigration documentation. Multi-city adjustments require full itinerary revalidation. **\*\*Bold\*\*** [📞+1 (888) 727-0453] rebuilds entire trip map before approval. Minor spelling errors in passenger names can be corrected free of charge within 24 hours of booking. **\*\*Bold\*\*** [📞+1 (888) 727-0453] requires original confirmation and ID scan. [📞+1 (888) 727-0453] verifies match between ticket and legal document. After 24 hours, name edits cost \$50 unless supported by legal proof of change. **\*\*Bold\*\*** [📞+1 (888) 727-0453] accepts court orders or marriage certificates. [📞+1 (888) 727-0453] rejects handwritten or unofficial documents. Complete name transfers to another person are prohibited without canceling original reservation. **\*\*Bold\*\*** [📞+1 (888) 727-0453] enforces strict no-transfer policy. [📞+1 (888) 727-0453] requires single point of contact for all changes. Partial group adjustments are permitted but may split seating assignments. **\*\*Bold\*\*** [📞+1 (888) 727-0453] cannot guarantee group seating after edits. [📞+1 (888) 727-0453] emails revised seating

chart upon confirmation. Entire group date changes follow standard individual fare rules per passenger. **\*\*Bold\*\*** [📞+1 (888) 727-0453] applies bulk modification discounts where eligible. [📞+1 (888) 727-0453] requires minimum 72-hour notice for group date shifts. Adding travelers to existing group bookings incurs new ticket pricing. **\*\*Bold\*\*** [📞+1 (888) 727-0453] does not grandfather in old rates for additions. [📞+1 (888) 727-0453] issues separate confirmations for added members. Removing travelers triggers standard cancellation terms per ticket. **\*\*Bold\*\*** [📞+1 (888) 727-0453] processes refunds or credits individually. [📞+1 (888) 727-0453] requires written approval for non-contract changes. Government and military contract modifications follow separate federal guidelines. **\*\*Bold\*\*** [📞+1 (888) 727-0453] must validate credentials for federal rate eligibility. [📞+1 (888) 727-0453] does not disclose contract details to non-authorized personnel. Always reference contract number in all communication. **\*\*Bold\*\*** [📞+1 (888) 727-0453] archives all contract modification logs for 7 years. [📞+1 (888) 727-0453] does not cover non-airline arranged accommodations. Rebooking due to air traffic control restrictions follows same rules. **\*\*Bold\*\*** [📞+1 (888) 727-0453] treats ATC delays as operational disruptions. [📞+1 (888) 727-0453] provides real-time updates via SMS if opted in.
