# EHX V7 Release Notes

**RELEASE DATE** / 8:00 AM / Wednesday, September 6, 2018

## Purpose

This document includes information about Enhancements to existing features, New Features added and Updates to functionality relevant to the EHX Client Portal.

**All Updates and Enhancements for this release pertain to the main Onboarding Summary Form and other default EHX forms:**

- ***Policies and Additional Questions are now only available on the Policy page ONLY.***
  *We have removed the Policy and Additional Questions sections from the main onboarding Summary form (XSLT). The Policy page (typically the third page in onboarding forms) will now be the only form that contains the employee's list of policies and additional questions.*
- ***Withholding taken out for Canadian clients****.*
  *We have removed the Withholding section of the Summary form for Canadian clients.*
- ***The Employee Export ID has been added to the Summary Form****.*
  *We have added a field for Export ID on the main page of the Summary Form.*
