Professional Hours Of Service

Managing Locations

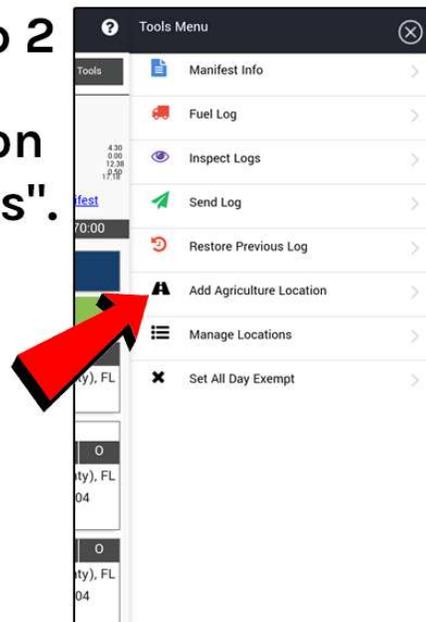

Step 1
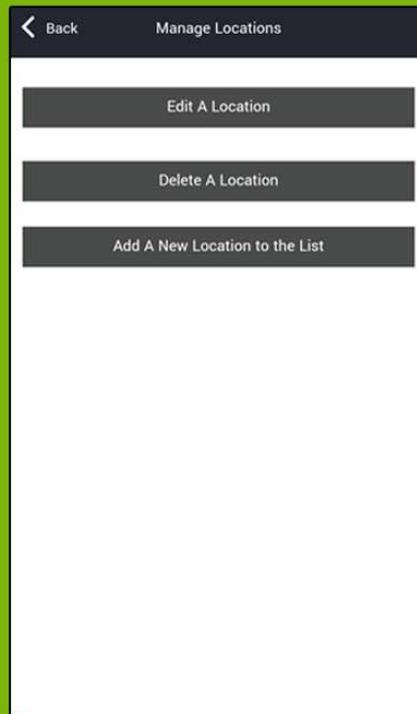

Tap on the "Tools" option in the top right of the screen.

Step 2

Tap on "Manage Locations".

Back   Manage Locations

Edit A Location

Delete A Location

Add A New Location to the List

Tap on "Edit Location"
to change information
about specific locations.

Tap on "Delete Location" to
get rid of a location
from the application.

"Add a New Location
to the List" is explained in
A dedicated guide. This
is where brand new locations
can be entered into the application.
Either manually, or automatically
from your current location.
