

The purpose of this document is meant to be a reference to IR (infrared) receiver locations on the lineup of XFINITY X1 Set-Top Boxes. Each type of STB will be listed with a picture of the device, a yellow marker indicating where the IR receiver is, and a brief description of the device along with its connection interfaces.

Please contact [Custom\\_Xfinity@comcast.com](mailto:Custom_Xfinity@comcast.com) with any inquiries.

## X1 STB's IR Locations

- Introduction** ..... [pg1](#)
- XG1 (DVR devices)** ..... [pg2](#)
  - Arris XG1v1 .....

# XG1 Devices

Arris XG1v1 – Manufacturer model # MX011ANM/MX011ANC. IR target indicated in yellow. This model has 1 RF In, 1 RF Out, Analog Audio (RCA L & R) Out, Composite Video Out, HDMI Out, SPDIF Out.

Arris XG1v3 – Manufacturer model # AX013ANM/AX013ANC. IR target indicated in yellow. This model has 1 RF In, 1 RF Out, Analog Audio (RCA L & R) Out, Composite Video Out, HDMI Out, SPDIF Out.

Pace XG1v1 – Manufacturer model # PX001ANM/PX001ANC. IR target indicated in yellow. This model has 1 RF In, 1 RF Out, Analog Audio (RCA L & R) Out, Composite Video Out, HDMI Out, SPDIF Out. Component Video Out.

## XG1 Devices (continued)

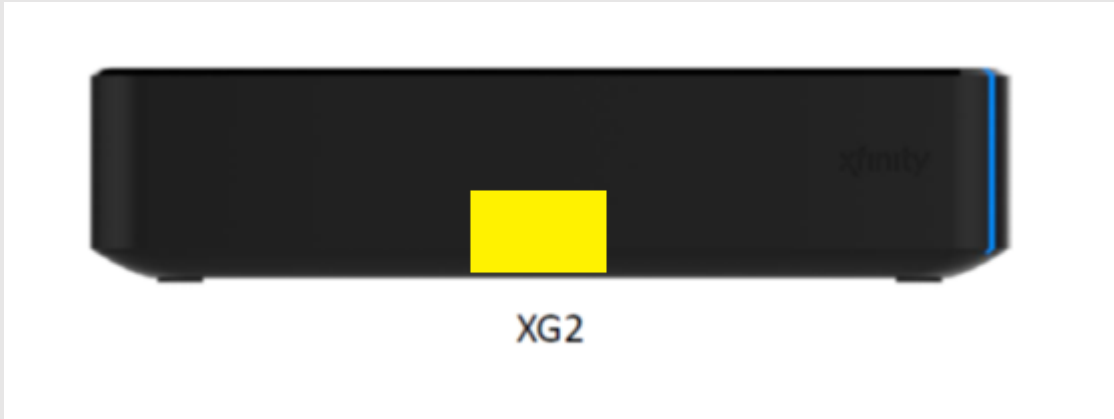

Pace XG1v3 – Manufacturer model # PX013ANM/PX013ANC. IR target indicated in yellow. This model has 1 RF In, 1 RF Out, Analog Audio (RCA L & R) Out, Composite Video Out, HDMI Out, SPDIF Out.

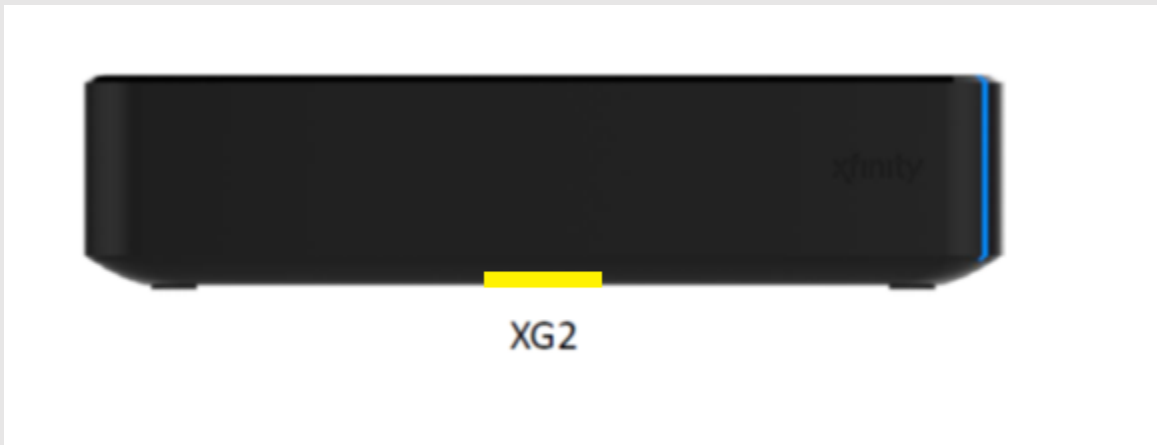

Arris XG1v1 – Manufacturer model # AX11RANM/AX11RANC. IR target indicated with white dot in the center of the yellow box outline. This model has 1 RF In, 1 RF Out, 1 HDMI Out, Analog Audio (RCA L & R) Out, SPDIF Out.

# XG2 Devices

Samsung XG2 – Manufacturer model # SX022ANM/SX022ANC. IR target indicated in yellow. This model has 1 RF In, 1 RF Out, Analog Audio (RCA L & R) Out, Composite Video Out, HDMI Out, SPDIF Out.

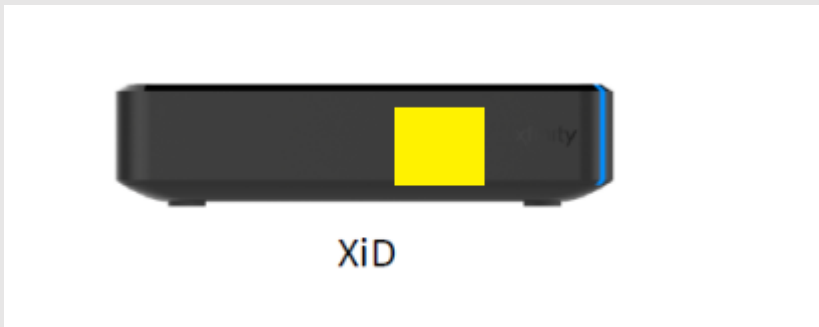

Pace XG2 – Manufacturer model # PX022ANM/PX022ANC. IR target indicated in yellow. This model has 1 RF In, 1 RF Out, Analog Audio (RCA L & R) Out, Composite Video Out, HDMI Out, SPDIF Out.

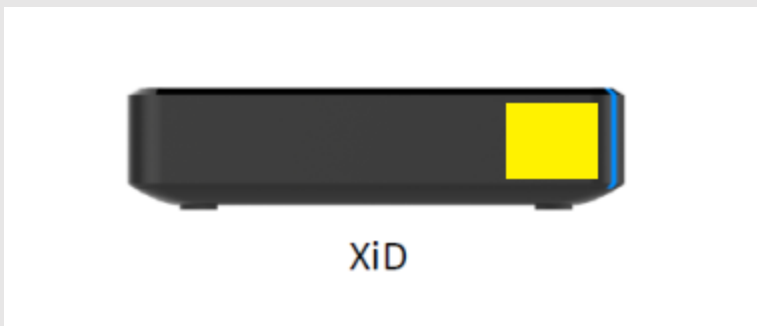

# Xi Devices

Pace Xi3 – Manufacturer model # PX032ANI. IR target indicated in yellow. This model has one RF input and one HDMI output.

Pace XiD – Manufacturer model # PXD01ANI. IR target indicated in yellow. This model has one RF input, one RF output and one HDMI output.

Cisco XiD – Manufacturer model # CXD01ANI. IR target indicated in yellow. This model has one RF input, one RF output and one HDMI output.
