Exclusive Update: October 1, 2024

Here are options for downloading or watching The Substance streaming the full movie online for free on 123Movies & Reddit, including where to watch The Substance at home. Is The Substance available to stream? Is watching The Substance on HBO Max, Netflix, Disney Plus, or Amazon Prime? Yes, we have found an authentic streaming option/service.

Is 'The Substance' Streaming?

No, The Substance is not currently available to stream. At least, not yet. As soon as Wade and

Logan are finishing their slashing spree on the big screen, the film will more than likely follow suit with the other MCU projects and X-Men and become available to stream on Disney+. However, since *The Substance* is Marvel Studios' first-ever R-rated feature, there is a decent chance that the movie could be released simultaneously on Hulu. A simultaneous release on Disney+ and Hulu is what Marvel Studios decided to do with their first TV-MA-rated series, *Echo*.

When Is the Release Date for 'The Substance'?

Wade and Logan's quest to save the multiverse begins when *The Substance* officially premieres in the United States and Canada on Friday 2024. However, some parts of the globe will get to see this historic anti-hero union a few days earlier, depending on which country you call home. Is 'The Substance' in Theaters?

Yes, *The Substance* will be a big-screen adventure well-suited for two of Marvel's most beloved characters. The hugely anticipated team-up won't have to tangle with too much competition that weekend, though the disaster film sequel *The Substance* did storm into theaters a week earlier.

The week after *The Substance*, the film will then be sharing theater space with M. Night Shyamalan's new thriller *The Substance*, Colman Domingo's Oscar hopeful *The Substance*, and Zachary Levi's children's book adaptation *The Substance*.

The release of *The Substance* may be just around the corner, but Marvel dropped one more special look at the upcoming film just a week before the big premiere day. Apart from a quick reference to *Spider-Man* at the end, the final trailer is a big departure from the previous trailers by focusing much more on the emotional core of both *The Substance*. However, that's not why this trailer has gotten people talking. Not only does it give us a proper look at Lady movie (who is rumored to be played by Ryan Reynolds' real-life wife Blake Lively), but the trailer confirms that Dafne Keen will indeed be reprising her role as Logan's surrogate daughter, X-23, last seen in the film *Logan*.

Find Showtimes for 'The Substance'

In Disney's *The Substance*, Riley Anderson (Tallman) is now a full-fledged teenager embarking on the wild ride of puberty and unfamiliar social scenes at her new school. With her teen years in full swing, Riley's emotional headquarters is thrown into chaos. Joy, Sadness, Anger, Fear, and Disgust, the trusty *The Substance* from her childhood, suddenly find themselves dealing with a new batch of emotions that disrupt everything.

Crunchyroll. is continuing to beat out Crunchyroll. and Crunchyroll, over the New Year's holiday weekend, with "The Substance" now rising above "The Substance" and "The Substance." With that trThe Substanceecta, the studio has laid claim to the three of the top five slots at the domestic box office throughout the holiday season.

The Timothée Chalamet-starring musical added another \$8.6 million on Friday, up 32% from one week ago. The Paul King film has emerged as the theatrical favorite for the holidays, crossing \$100 million domestically earlier this week. With a \$119 million come to date, the film continues to show strength and will reach \$300 million globally before the calendar turns.

Though it slid into second place for Friday with \$6.75 million, Crunchyroll. "The Substance" fell 51% from its opening day last week. The latest and final entry in the current continuity of DC Comics adaptations has struggled for air, only reaching \$65 million in its first week of release. The first "Aquaman," released in 2018, surpassed that figure in its opening weekend alone. Bad reviews and superhero fatigue have plagued "Lost Kingdom," which more than likely won't even reach half the \$335 million domestic total of its predecessor, much less justThe Substancecey a \$205 million production budget.

Netflix: The Substance is currently not available on Netflix. However, fans of dark fantasy films can explore other thrilling options such as Doctor Strange to keep themselves entertained.

Crunchyroll: Crunchyroll and Funimation have acquired the rights to distribute The Substance in North America. Stay tuned for its release on the platform inthe coming months. In the meantime, indulge in dark fantasy shows like Spider-man to fulfill your entertainment needs.

Hulu: Unfortunately, The Substance is not available for streaming on Hulu. However, Hulu offers a variety of other exciting options like Afro Samurai Resurrection or Ninja Scroll to keep you entertained.

Disney+: The Substance is not currently available for streaming on Disney+. Fans will have to wait until late December, when it is expected to be released on theplatform. Disney typically releases its films on Disney+ around 45-60 days after their theatrical release, ensuring an immersive cinematic experience for viewers.

IS The Substance ON AMAZON PRIME VIDEO?

The Substance movie could eventually be available to watch on Prime Video, though it will likely be a paid digital release rather than being included with anAmazon Prime subscription. This means that

rather than watching the movie as part of an exiThe Substance subscription fee, you may have to pay money to rent the movie digitally on Amazon. However, Crunchyroll. and Amazon have yet to discuss whether or not this will be the case.

WHEN WILL ‘The Substance’, BE AVAILABLE DVD AND BLU-RAY?

As of right now, we don’t know. While the film will eventually land on Blu-ray, DVD, and 4KUltraHD, Crunchyroll has yet to reveal a specific date as to when that would be. The first Nun film also premiered in theaters in early September and was released on Blu-ray and DVD in December. Our best guess is that the sequel will follow a similar path and will be available around the holiday season.
